July 29, 2020

To whom it may concern,

WHEREAS Rapid7, Inc. ("Rapid7") who is the established and reputable manufacturer of InsightVM, InsielDR and InsideConnect product having its headquarters at 100 Summer Street, Boston, MA 02110, United States, hereby authorizes "Hi Computers Ltd." for the specified goods.

This letter serves as confirmation that, as of the date of this letter, "Hi Computers Ltd." is an authorized Rapid7 partner for the territory of Bulgaria. This authorized partnership status allows "Hi Computers Ltd.", to market, promote, and sublicense the Rapid7 products to customers.

Additionally, as part of "Hi Computers Ltd.", and Services' partnership benefits, this partner is authorized to receive technical support directly from Rapid7 to enable the partner to successfully perform services and provide assistance related to the licensing, deployment, and implementation of the Rapid7 solution.

Regards,  
Rapid7 Legal Team
